SUBJECT : Sino-Soviet Relations

1. The material in this package is arranged as shown below:

LEFT SIDE

1. March 1977 IIM
2. 1976 Research Study

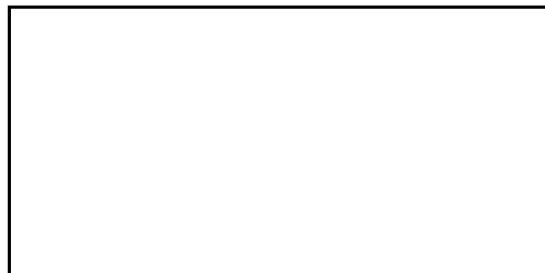

RIGHT SIDE

1. Talking Points
2. Backup Paper
3. "Sino-Soviet Relations:  
A Quantitative Assessment," a TOP SECRET  
and a SECRET version.

2. The basic message seems to be "We see no change for better or worse in Sino-Soviet relations forthcoming."

3. The "Sino-Soviet Relations: A Quantitative Assessment" may serve to show that we are watching developments in Sino-Soviet relations closely even though the IIM is nearly a year old. The Sino-Soviet NIE will not be out before April. I will have copies of the Quantitative Assessment tomorrow in case you want to hand them out.
